Investment Related

Christopher Barrett is a registered representative of DAI Securities, LLC (CRD No. 36673) ("DAIS"), a registered broker-dealer (member of FINRA and SIPC). Mr. Barrett is also a licensed insurance agent who transacts insurance product sales through various insurance vendors. Mr. Barrett will earn separate, yet customary compensation for securities and insurance product sales.

In his dual roles as investment advisor representative, securities salesperson and insurance agent (as referenced in Items 5 and 10 of our Brochure), Mr. Barrett is faced with conflicts of interest whereby, the receipt of commissions for selling securities or insurance products gives him an incentive to recommend investment or insurance products based on the compensation received, rather than the client's needs. We address this conflict of interest by, among other things, conducting periodic suitability reviews on our clients' portfolios and requiring all representatives who are licensed to offer insurance products to our clients to assure that the recommendation to purchase insurance is in the client's best interest. These products may be available through other channels and as a client you are not obligated to purchase products recommended by our representatives. (*Please see Item 10, Financial Industry Affiliations of our Brochure for additional details*).

Non-Investment Related None.

ADDITIONAL COMPENSATION (Item 5)

Mr. Barrett earns additional compensation as a result of his dual financial industry activities and affiliations. Mr. Barrett also receives additional compensation in the form of production incentives for reaching certain predetermined production thresholds for managed asset revenue and brokerage commission revenue. This compensation structure creates a clear and direct incentive to recommend advisory management accounts and brokerage accounts based on the receipt of these payments. Mr. Barrett also has an incentive to maximize his income by increasing revenue in one category or another, depending on the proximity of his revenue level to the next level that triggers a payout. We address these conflicts of interest by disclosing them here and ensuring that any recommendations of advisory management accounts or brokerage accounts are in the client's best interest. These services are available through other channels, and you are not obligated to utilize the services or purchase products recommended by Mr. Barrett. (*Please see Item 10, Financial Industry Affiliations, and Item 14, Client Referrals and Other Compensation, of our Brochure for additional details*)
